****Schedule subject to change****

Please note: All date changes will be posted at the studio, in the bi-monthly newsletter, and/or mentioned by instructor.

Notice: Our studio schedule *does not* always follow the days the public schools are not in session. Many times we will be open when schools are not. If older children need to be brought to the studio, please allow them to use the waiting room.

Inclement weather

Morning classes (classes before 1:00pm): Please call the studio for a *recorded message* (**no earlier than 8 am please**) to find out if we will be having classes. Many schools close the night before with no snow the next morning.

Afternoon classes (2:30 pm and on): Due to conditions greatly improving during the day, call the studio for a *recorded message* after 1:00 pm to find out if we will be having classes.
